2Northdown, located in the heard of King's Cross, a mere 30 second walk from the station, officially opened its doors in July 2017.

The live event venue has quickly established itself as the go-to place for new and emerging comedy artists as well as the showcase space for established performers trying out new material.

2Northdown has also hosted private invitation-only functions for Hat Trick Productions, Unbound Publishing, Channel 4's ALL4 and many others.

2Northdown is equipped with a basic lighting rig and a full PA. We are a small theatre with a capacity of 65. We do not have a storage area.

We will provide one venue staff member, who can generally assist with box office/ basic tech questions etc. The venue is wheelchair accessible and the seating is flexible. We also provide bar staff. Companies will need to provide their own technician.

2Northdown is available for the entire duration of the Camden Fringe.

We'll be offering two slots per day: 7pm (£70 per day hire fee) – get in from 6.30pm and get out by 8.30pm 9pm (£70 per day hire fee) – get in from 8.30pm and get out by 11pm.
