The theatre is a black box studio space that sits 60. The theatre is located above a smart Geronimo run gastro pub off the Kentish Town High Road.

The theatre is an intimate space, with good technical facilities, as well having as its own box office, dressing room and front of house. We can offer some week long storage space at an extra cost.

We are happy to work with first time producers as well as more experienced producers. We will support companies that are keen to develop new and diverse audiences for their work. We offer advice and help on Arts Council grant applications and Audience Development planning for marketing campaigns.

We are open to programming a broad range of work for traditional and non traditional audiences. We will offer the following slots on a hire basis from 30th July - 26th August.

Afternoon slots 5.30/6pm Mon-Sat
Early slots 7.30pm/7.45pm Mon - Sat
Late slots 9pm/9.30pm Mon - Sat

We charge £85 plus vat for an hour long slot. Shows are given 15 minutes to get in and out as part of this fee. Shows longer than one hour will be charged an hour extra.

The fee includes a one hour free tech time in the theatre before your show. You will need to source your own technician.

If you require more rehearsal or tech time in the theatre these can be bought for £25 per hour plus vat by arrangement for dates in Late July or August.

Please let us know in your applications your running time and which slots and week you prefer.

We will aim to make you a provisional offer as soon as we can and then confirm the space on receipt of your fee with a contract.

We are happy to answer your enquiries by email to our Creative Producer as above.
